

About the Proposed Beckwourth Peak Fire Protection District *(for informational purposes only)*

The proposed Beckwourth Peak Fire Protection District (BPFPD), if approved by registered voters within the identified BPFPD boundaries, will serve the Beckwourth, Chilcoot, Gold Mountain/Nakoma, and Vinton communities and City of Portola. Boundaries are extended to include areas that are currently outside of any assigned local jurisdictional boundary to provide services, yet receive services on a goodwill basis.

Actions to Date Overview

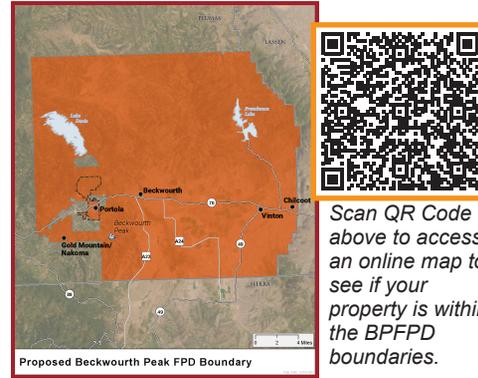

- ✓ Local Emergency Services Study Group (LESSG), with representation from Beckwourth Fire Protection District, Sierra Valley Fire Protection District, Gold Mountain Community Services District and the City of Portola, was formed and conducted a feasibility study about whether to consolidate resources and establish one new fire protection district.
- ✓ Beckwourth Fire Protection

District, Sierra Valley Fire Protection District, Gold Mountain Community Services District and the City of Portola submitted requests to Plumas Local Agency Formation Commission (LAFCo) to form a new district.

- ✓ LAFCo approved the application and held a hearing to adopt a resolution requesting Plumas County Board of Supervisors to call an election to place a measure to form a new District the November 2023 ballot.
- ✓ Secured a tax-sharing agreement with Plumas County Board of Supervisors to receive a portion of monies collected from property taxes.
- ✓ Plumas County Board of Supervisors called the election to place Measure E and Measure F on the November 7, 2023 ballot.

For more information contact the Beckwourth Fire Protection District, Sierra Valley Fire Protection District,

Gold Mountain Community Services District or the City of Portola.

All Registered Voters Have a Say!

The November 7, 2023 ballot will have two measures for registered voters to cast a vote on Measure E and Measure F.

About Measure E & Measure F

Measures “E” asks: Should a new, unified fire protection district, Beckwourth Peak FPD, be formed to provide emergency medical, rescue, and fire response services in Eastern

Plumas County? If approved, Measure “E” will allow Beckwourth Peak FPD to be established with designated boundaries to serve Eastern Plumas County.

Measures “F” asks: Should an annual special tax be collected to provide funding to financially support the new fire protection district, Beckwourth Peak FPD? If approved, an annual special tax will be included on the property tax bill to financially support Beckwourth Peak FPD.

How Much is the Special Tax?

Most single family residential properties will see an estimated \$110 Special Tax amount on their annual property tax bill. Scan the QR code to review the details and a table listing the Special Tax amounts by parcel type.

P.O. Box 1225 • Portola, CA 96122
